NOTES ON PROCEDURE FOR ELECTION

Any application for Membership of the Club needs to follow the following procedure.

If the applicant has a proposer and seconder, they must ensure that the appropriate sections of this form are completed before submission to Panmure. Should the applicant have no Member support, all remaining sections of the form must be completed. Upon receipt of the application, Panmure will arrange an interview / welcome meeting within 7 days. A notice with details of the proposed new member will also be displayed in the Clubhouse for two weeks as a courtesy to the existing membership. If no concerns are raised, Council will consider the membership confirmed and we will notify the applicant within 7 days. If a Waiting List is in operation, a Candidate who is qualified for election will be notified by the Secretary when a vacancy arises.

Applications for International and Country Membership will be assessed by the Membership Convener. An interview will not normally be necessary.
